A BLESSED LIFE

Authentic, part one

Daniel Hope
June 3, 2012

Now when he saw the crowds, he went up on a mountainside and sat down. His disciples came to him, and he began to teach them, saying: “Blessed…”

—Matthew 5:1-3a

- The first part of each Beatitude tells us __________ we are.
- The second part of each Beatitude tells us ___________ we are.
- The third part of each Beatitude tells us __________ we are.
- An authentic ______________ radiates from an authentic ________________.
- Life reflects the truthfulness of his teaching.

MISSELS (cont.)
AFGHANISTAN

Our recent trip to Watermelon Moon Farm was exceptional. Everyone had a wonderful time, and the food was superb. Jan Crowder took a few pictures that I am sure she would be willing to share. We are looking forward to our next trip—Montgomery Bell State Park on June 16. Sign up at the Notes & Sign-up board. The bus will leave Hillsboro at 10:00 am.

Monday, June 11, is the date for our next potluck dinner and meeting. Former member George Spain, who is the brother-in-law of A. M. and Martha Burton, will entertain us with his story that is set in the 1800s and is based on actual events. The story concerns a slave who tried to kill her newborn daughter by throwing her into an open fire, but the baby was rescued and raised by the family who owned the slave. George will give details of this heart-warming story that will be published in the fall and his research that led to its discovery. Hosts and hostesses for the evening will be David and Jennifer Henry, Justin and Julia Battles, Tim and Diana Richards, and Chad and Marci Smith.
